

Mr. Anil A. Bagane

I am extremely happy to know that the department of Computer Engineering is bringing out the Newsletter. Today, the role of a college is not only to pursue academic excellence but also to motivate and empower the students to be lifelong learners. So we give a harmonious personality development to our students through meditation and spiritual lectures to keep their body, mind and soul.

Mr. B. S. Tashildar

I am happy to note that the department of Computer Engineering is publishing its first news letter for year 2021-22. I appreciate the efforts taken by the editorial board in compiling useful information & activities by department. This clearly reveals that the department is trying to expand in all spheres of academics, co-curricular and extra co-activities under the guidance of HOD.

Mr. R. M. Patil

I am very happy to publish the newsletter of our Computer Department. This newsletter shows the curricular, co curricular activities carried out by the students as well as faculties during academic year 2021-2022.

Computer Department is accomplished with ignited souls and creative students. I would like to thank all staff, students' coordinator for their enthusiastic participation and great efforts.

Vision and Mission of the Institute

VISION:
